

VOLUNTEER IN YOUR COMMUNITY

Ray Roberts Lake State Park

The TPWD volunteer application process is done online at tpwd.texas.gov/state-parks/help-parks.

Once the application is received, applicants undergo a background check. They can then apply for specific opportunities or parks. They will then be contacted by the corresponding volunteer coordinator at the park and matched up with a volunteer opportunity that matches their interests/passion, skillset, and time availability. To learn more, check out "How to Volunteer" at tpwd.texas.gov/volunteer.

Address: 100 PW 4137, Pilot Point, TX 76258
For general information, visit - tpwd.texas.gov

Lewisville Lake Environmental Learning Area (LLELA)

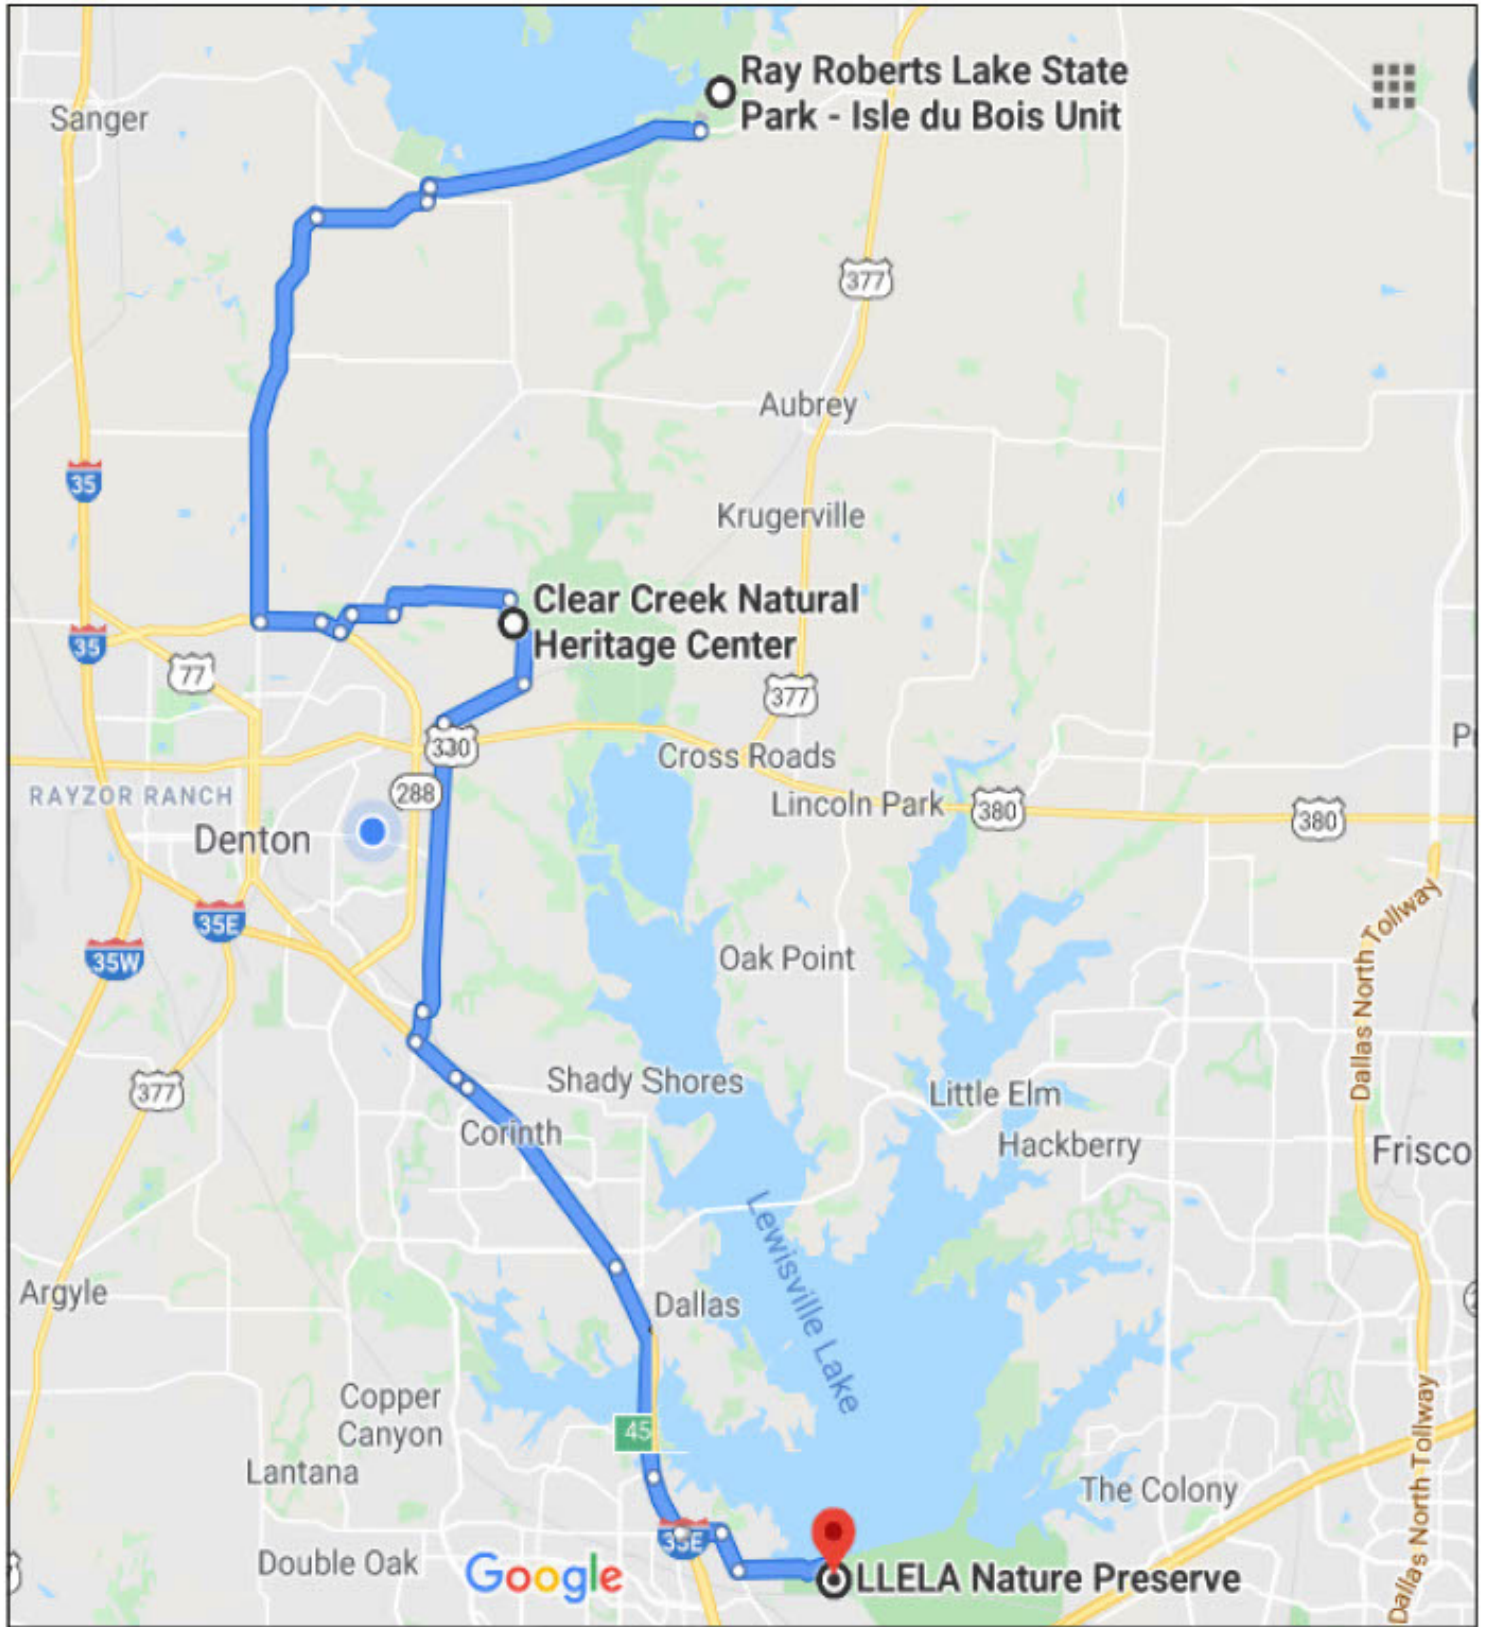

Volunteer task descriptions and staff contacts can be found at llela.org/research-restoration/volunteering. For individuals who volunteer with activities operated from the UNT side of the LLELA partnership (restoration work, research projects, etc.), there is one form to complete. For individuals who volunteer in activities operated by the City (school programs, guided hikes, etc.), there is a longer form that includes a waiver and a release form for a background check.

Address: 201 E. Jones Street, Lewisville, TX 75057
For general information, visit - llela.org

Clear Creek Natural Heritage Center

Visit Denton Clear Creek Natural Heritage Center on Facebook for more information or visit cityofdenton.com/222/Clear-Creek. There is usually at least one garden and one trail workday a month.

Address: 3310 Collins Road, Denton, TX 76208
