

TMN-EFC 25th Anniversary Merchandise
Elm Fork Chapter Opens Its First Online Pop-Up Store

To celebrate our Chapter's 25th anniversary and in response to member requests, Communications Director Fran Witte has set up an [online store](#) with branded t-shirts ... and much, *merch*, more!

Individual orders may be made at any time; taxes and shipping will be totaled upon purchase, and a small 10% increase on only the item price will benefit our Chapter's general fund.

The [pop-up store](#) is designed to provide members an easy way to individually and quickly purchase items with our 25th Anniversary logo, without Chapter investment and associated logistics.

Here are some shopping tips for this Print on Demand (POD) store model:

- Shipping can be expensive because individual items may have a separate vendor. Check the shipping cost, and consider partnering with others who might be interested in the same product. By ordering multiples of the same item(s), shipping costs may be reduced and can be shared between members ordering together.
- Allow for shipping time. Some items may arrive quicker than others, depending on the vendor.
- Some items are available in a variety of color options.
- These products are screen printed only. (Embroidery is still available with the Chapter's 25th Anniversary logo and regular logo at Embroidery King located in Lewisville.)
- Share with your family, friends, and neighbors!

Have fun; [happy shopping!](#)
