

# Request a Speaker

The Elm Fork Chapter coordinates requests for guest speakers to present to area groups on a variety of topics, dedicated to the beneficial management of natural resources. Our speakers are well-informed and passionate volunteers devoted to educating the community and preserving our great state.

Frequent requested topics include Backyard Wildlife Habitats; Bees; Butterflies; Birds; Native Plants; and much more.

To request a speaker, visit [txmn.org/elmfork](http://txmn.org/elmfork) and complete the Speaker Request Form or email [speakers@efctmn.org](mailto:speakers@efctmn.org).

# Speakers Bureau

# Mission

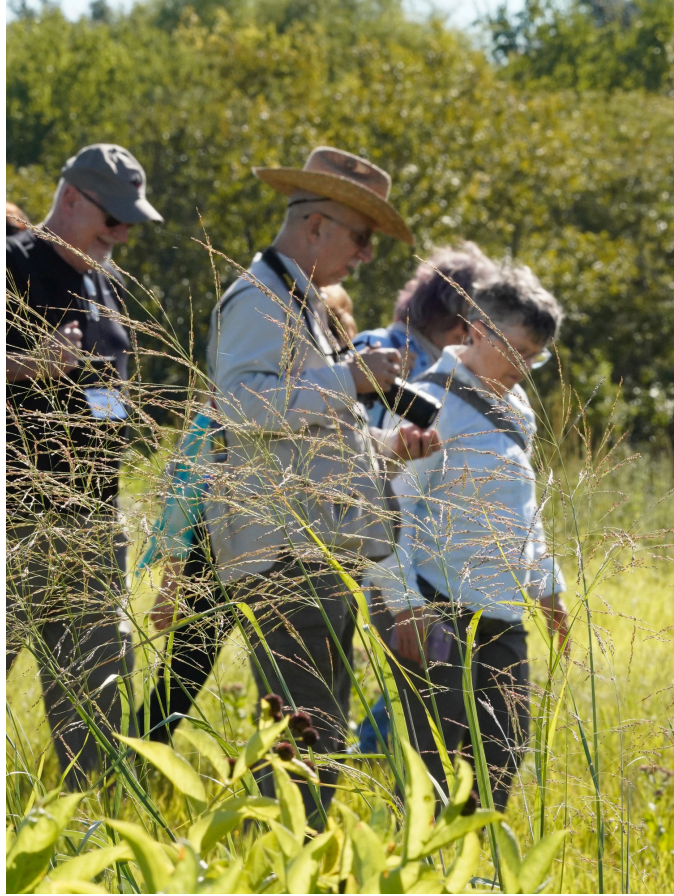

---

To develop a corps of well-informed volunteers to provide education, outreach, and service dedicated to the beneficial management of natural resources and natural areas within their communities for the State of Texas.

# Vision

---

In our community, the Elm Fork Chapter of the Texas Master Naturalist will be recognized as a primary source of information, education and service to support natural resources and natural areas today and in the future.

# Who We Are

---

Master Naturalists are dedicated to the conservation, preservation, and restoration of our natural resources, and promoting ecological education for all. Upon completing a comprehensive training program, Master Naturalist volunteers provide programs and projects that increase appreciation of our natural environment, promote the maintenance and sustainable use of public open spaces, and protect and preserve native flora and fauna and their habitats.

Information

Education

Service

## Serving Denton, Cooke and Wise counties since 1999.

## Learn more

---

Want to learn more about the Texas Master Naturalist program? The public is invited to attend monthly chapter meetings. The Elm Fork Chapter hosts chapter meetings the third Thursday of each month (except February and December). Networking starts at 9:00 a.m. and meetings start at 9:30 a.m. For more information, visit [txmn.org/elmfork](http://txmn.org/elmfork).
